Narrative Description of your Activities

Present Activities

- Tutoring children ages 12-17 years old for purpose of Academic success i.e. Florida Comprehensive Assessment Test (FCAT), SAT/ACT prep course work, Math, Science, English, and Reading and Writing skills.
- The program has been advertised by word of mouth and by varies teachers and Guidance Counselors that have participated or took note of the program in its beginning stage.
- This program over sees 30 or more kids each month. Each kid is tutored a total of 3 hours per week. The study groups range from 3 to 5 kids in a group. Kids are divided into groups according to the subject area that they need help in. We offer tutoring in Math, Science, Social Studies, Reading and Writing as well as the standardized prep course work, Florida Comprehensive Assessment FCAT, SAT/ACT
- 100% time of Literacy Functions purpose is to solicit funding/volunteer(s) /site placement
- Training of volunteer(s) staff began November 21, 2006 at Auburndale High School in Auburndale, Florida by: Learo Etienne and Terrance Moore. These volunteer are required to have a certain amount of community service hours to meet graduation requirements. Volunteers are taught how to work with kids as well as tutor kids in there different subject areas. The Club Excel Booster Club youth Educational and Fitness Development Program is current being held at Auburndale High School located in Auburndale, Florida. An agreement was made by school officials as well as the Club Excel Booster Club that enabled this type of program to take place after school hours for about one hour and a half three times per week.

Past Activities

- There are no past activities due to this organization is in its infancy stage.

Plan Activities

The Club Excel Booster Club youthful Educational and Fitness Development Program is gear towards developing a healthier lifestyle for the youth our community. This program is designed to increase the participation rate for the youth in our community by establishing a lifelong practice of education, exercise and physical activity along with healthy eating habits.

TALLAHASSEE, FLORIDA

The Club Excel Booster Club (CEBC) is committed to enriching the lives of young people in our diverse community by targeting five core areas of youth development: education, youth leadership, fitness and health, community awareness and crime violence prevention. The Club Excel Booster Club has been put in place to support young people of all cultures and backgrounds by providing facilities, activities, resources, and referrals while enhancing the mind and body of our young students through the ability to achieve success in and out of the classroom.

- In the coming months the Club Excel Booster Club plans are to raise funds through varies fund raising and grant projects as the number of kids have began to over exceed the classroom size.

- The Club Excel Booster Club will conducted varies fund raising programs to help obtain money to accommodate a facility. These fund raising tactics will consist of Car Washes which will take place at local grocery stores, gas stations church parking lots school parking lots fast food restaurants and other varies locations. We will also have candy sales, coupon books that provide discounts for people who buy a sheet with discounts from different stores around the area. We also have plans to solicit different business for donations.

- To accompany the tutoring phase the organization will offer fitness concepts, health and nutrition i.e. Free lunch program for the children (students). These kids will be taken out side to and open field to learn varies mental exercise components that help relives stress and tension from studying for long periods of time.

- This organization is based on charitable deeds and there is no salary paid to no one, the board does not get paid nor does volunteers. Volunteers will consist of students that are required to complete community service hours and community members that enjoy providing good deeds and working with kids.

- 100% of time spent purpose is to create a well adjusted alert/healthy individual (s)

- Once obtain a facility large enough to accommodate activities/ population approximately (May 2007) Auburndale Florida done by: Learo Etienne and Terrance Moore in Auburndale, Florida.
