ARTICLE V. DIRECTORS

1. The affairs of the association will be managed by a board consisting of the number of directors as shall be determined by the Bylaws, but not less than three (3) directors nor more than seven (7) directors.

2. Directors of the association shall be elected at the annual meeting of the members in the manner determined by the Bylaws. Directors may be removed and vacancies of the Board of Administration shall be filled in the manner provided in the Bylaws.

3. When unit owners other than the developer own fifteen percent (15%) or more of the units within the condominium that will be operated ultimately by the Association, the unit owners, other than the developer, shall be entitled to elect no less than one-third (1/3) of the directors of the Board of Administration of the Association. Unit owners, other than the developer, are entitled to elect not less than a majority of the members of the Board of Directors of the Association:

- a) three (3) years after fifty percent (50%) of the units that will be operated ultimately by the Association have been conveyed to purchasers;
- b) three (3) months after ninety percent (90%) of the units that will be operated ultimately by the Association have been conveyed to purchasers;
- c) when all the units that will be operated ultimately by the Association have been completed, some of them have been conveyed to purchasers, and none of the others are being offered for sale by the developer in the ordinary course of business;

The developer is entitled to elect at least one member of the Board of Administration of the Association as long as the developer holds for sale, in the ordinary course of business, at least five percent (5%) of the units in the condominium operated by the Association. Following the time the developer relinquishes control of the Association, the developer may exercise the right to vote any developer-owned units in the same manner as any other unit owner except for purposes of reacquiring control of the Association or selecting the majority members of the Board of Administration.

Within seventy-five (75) days after the unit owners, other than the developer, are entitled to elect a member or members of the Board of Administration of the Association, the Association shall call, and give not less than sixty (60) day's notice of an election for the members of the Board of Administration. The election shall proceed as provided in s. 718.112(2)(d). The notice may be given by any unit owner if the Association fails to do so. - 1. Assessment of the developer as a unit owner for capital improvements.
- 2. Any action taken by the association that would be detrimental to the sales of units by the developer; however, an increase in assessments for common expenses without discrimination against the developer shall not be deemed detrimental to the sales of units.
