ARTICLE VI

Section 6.1 Members of the Association shall be allocated votes as follows:

Class A. Each Class A Member shall be entitled to one vote for each Lot owned. For the purposes of determining voting rights, each Lot owned by a Class A Member shall be deemed entitled to one (1) vote regardless of the number of persons sharing common ownership interests.

The Class B Member shall be allocated three (3) votes for each Lot owned by it within the Association Property provided, that at such time as the Class B membership shall cease and become converted to Class A membership as set forth in Section 6.3, the Declarant shall have one vote for each Lot owned by it within the Association Property.

If the Homeowners fail to designate their official representative, then the Association may accept the person asserting the right to vote as the voting Owner until notified to the contrary by the other Owner(s). Upon such notification no affected Owner may vote until the Owner(s) appoint their official representative pursuant to this paragraph.

Section 6.4 The Declarant shall have the right to partially assign its status as Declarant and Class B Member by recorded instrument executed by the original Declarant and acknowledged and accepted by the assignee Declarant to any person or entity acquiring any portion of the Property, or adjacent lands eligible for annexation into the Property, for the purpose of development of a residential subdivision consistent with the plan of Seminole Ridge, and any such assignee shall thereafter be deemed to be the Declarant as to the Lots owned by such person or entity, and shall have the right to exercise all of the rights and powers of the Declarant as to such Lots, while, at the same time, the original Declarant shall continue to exercise the rights and powers of the Declarant as to all Lots owned by such original Declarant.
