A recent report from World Health Organization shows that twenty million Africans died with HIV/AIDS and forty two million have infected with HIV/AIDS without mentioning thousands of thousands dying in TB, malaria, dirty drinking water and another disease affected all the nations.

Poverty, education, clothing, medications, food shortages and fewer hospitals etc are the key factors that greatly impact, suffering for all African nations. Nzema Association of Florida, Inc; will be dedicated to offering and parking for total construction of Africa especially those nations in West Africa in the rule areas with prevention education for Ghana and Ivory Coast.
