The Association shall be conducted as a non-profit organization for the benefit of its members.

III. **Powers.** The Association shall have the following powers:

3.1 All of the powers and privileges granted to corporations not for profit under the law pursuant to which this Corporation is chartered.

3.2 All of the powers conferred on a condominium association by law and which are reasonably necessary to implement and effectuate the purposes of the Association, including, without limitation, the power, authority and right to:

(a) Make and establish reasonable rules and regulations governing the use of the Units, Common Elements and Limited Common Elements in and of the condominium, as such terms are defined in the Declaration.

(b) Levy and collect assessments against members of the Association to defray the Common Expenses of the Condominium, as provided in the Declaration and the By-Laws; including the right to levy and collect assessments for the purpose of acquiring, owning, holding, operating, leasing, encumbering, selling, conveying, exchanging, managing and otherwise dealing with the Condominium Property, including Units, which may be necessary or convenient in the operation and management of the

Condominium and in accomplishing the purposes set forth in the Declaration, and the payment of other obligations of the Members to be collected by the Association.

(c) Maintain, repair, replace, operate and manage the Condominium Property, including the right to reconstruct improvements after casualty and further to improve and add to the Condominium Property.

(d) Contract for the management of the Condominium and, in connection therewith, to delegate any and/or all of the powers and duties of the Association to the extent and in the manner permitted by the Declaration, the By-Laws, and the Act.

(e) Enforce the provisions of these Articles of Incorporation, the Declaration, the By-Laws, and all rules and regulations governing use of the Condominium and Condominium Property which may from time to time be established.

(f) Exercise, undertake and accomplish all of the rights, duties and obligations which may be granted to or imposed upon the Association in the Declaration and the Act.

(g) Provide and/or arrange for all services which the law permits to be provided by a condominium association including those services set forth in Florida Statutes, Section 718.111.

IV. **Members/Voting.** The qualification of members, the manner of their admission to and the termination of membership, and voting by members shall be as follows:

4.2 Membership shall be established by the acquisition of fee title to a Unit in the Condominium, or by acquisition of a fee ownership interest therein, by voluntary conveyance or operation of law, and the membership of any person or entity shall be automatically terminated when such person or entity is divested of all title or his or her entire fee ownership in such Unit; provided, that nothing herein contained shall be construed as terminating the membership of any person or entity owning fee title to or a fee ownership interest in two or more Units at any time while such person or entity shall retain fee title to or a fee ownership interest in any Unit.

4.3 The interest of a member in the funds and assets of the Association cannot be assigned, hypothecated or transferred in any manner, except as an appurtenance to the Unit(s) owned by such member.
