ARTICLE 1.

Name

ARTICLE 2.

Registered Agent

The name of the Registered Agent is DONALD D. HARRELL whose address is 4680 SE 120th Street, Belleview FL 34420.

ARTICLE 3.

Definitions

All definitions in the Declaration of Covenants and Restrictions for NORTH POINT (the "Declaration") to which a copy of the Articles are attached as Exhibit "A", are incorporated herein by reference and made a part hereof.

ARTICLE 4.

Purpose and Definitions

Section 4.1 **Purpose.** The primary purpose of this Association is to create an entity to provide a forum for discussion and communication among the Owners of property in NORTH POINT and to facilitate and assure the maintenance and operation of such property as may be subjected to the terms of the Declaration pursuant to its terms, including but not limited to the roadways and drainage facilities.

Section 4.2 **Nonprofit Character of Association.** The Association does not contemplate pecuniary gain or profit, direct or indirect, to its Members. The Association shall make no distributions of income to its Members, Directors or Officers.

ARTICLE 5.

Powers

The Association shall have all the powers and duties reasonably necessary to operate and maintain the Association including the following:

Section 5 m.1 To exercise all the powers and privileges and to perform all of the duties and obligations of the Association as set forth in the Declaration as recorded in the Public Records of Marion County, Florida, and as the same may be amended from time to time as therein provided, said Declaration being incorporated herein as if set forth at length.

Section 5.2 To establish, levy, collect, and disburse adequate assessments against Members of the Association for the cost of maintenance, operation and upkeep of the Common Areas, including roadways, and the surface water or storm water management system located within NORTH POINT.

Section 5.3 To manage, operate, maintain, repair and improve the Common Areas and any storm water or surface water management facility areas located within NORTH POINT or any property owned by another third party for which the Association by rule, regulation, Declaration or contract has a right or duty to provide such services. The Association shall operate, maintain and manage the surface water or storm water management system(s) in a manner consistent with the St. Johns River Water Management District permit no. 42-083-109135-1 requirements and applicable District rules, and shall assist in the enforcement of the Declaration of Covenants and Restrictions which relate to the surface water or storm water management system. The Association shall levy and collect adequate assessments against members of the Association for the costs of maintenance and operation of the surface water or storm water management system.

ARTICLE 6.

Membership

The Declarant and every Owner of a Lot as defined in the Declaration shall be a member of the Association. Except for the Declarant, membership shall be appurtenant to and may not be separated from ownership of any Lot. All members agree to be bound by the terms and provisions of these Articles of Incorporation and such Bylaws and operating procedures as may be promulgated by the Association from time to time.

ARTICLE 7.

Voting Rights

Section 7.1 The Declarant, until eighty percent (80%) of the Lots within the Subject Property have been sold, shall be entitled to four (4) votes for each Lot owned.

Section 7.2 Each Owner of a Lot shall be entitled to one (1) vote for each Lot owned. When one or more persons hold an interest in any Lot, all such persons shall be members of the Association, but in no event shall more than one vote be cast with respect to any single Lot. In the event all of the Owners of a Lot cannot agree on any vote, no vote shall be cast for such Lot; provided, however, that the Association may conclusively rely on the vote cast by any of the Owners of a Lot as being authorized by all such Owners unless the Association has been notified in writing to the contrary by one or more such Owners.

Section 7.3 Three (3) months after ninety percent (90%) of all the Lots in all phases of NORTH POINT have been conveyed to Owners other than the Declarant, the number of votes to which the Declarant is entitled shall be reduced to one (1) vote per Lot owned by the Declarant.

ARTICLE 8. **Board of Directors**

The affairs of the Association shall be managed by a Board of Directors consisting of not less than three (3) nor more than five (5) persons who need not be members of the Association. The first Board shall consist of three (3) Directors. Thereafter, the number of Directors may be increased to a maximum of five (5) by a majority vote of the Board of Directors.

The first election of Directors shall be held within thirty (30) days after incorporation at a meeting of the members called for that purpose. Three Directors shall be elected at this first election, one for a term of one year, one for a term of two years, and one for a term of three years. Said board shall also determine the term for each directorship so created. At each annual meeting thereafter a number of Directors equal to that of those whose term have expired shall be elected for a term of three years. At the expiration of any term, any Director may be re-elected for one additional consecutive term. The Directors shall be elected by the vote of a majority of the Members entitled to vote thereon at a meeting at which a majority of the Members entitled to vote are present.

ARTICLE 9. **Assessments**

The Directors are required to establish a Common Assessment to be levied against each Lot sufficient to maintain, extend or improve the Common Areas, any other areas which are maintained or partially maintained by the Association, any surface water or storm water management systems located within the Subject Property, or otherwise necessary to pay Common Expenses. The Directors shall notify any Owner of the amount of the then Common Assessment upon written request, along with an explanation for the determination of the Common Assessment in such detail as the Directors determine. The amount of the Common Assessment may be changed by the Directors as frequently as deemed necessary by them to assure that the amount of the Common Assessment is sufficient to pay all Common Expenses or otherwise satisfy all obligations of the Association. The Assessment so established may be

levied and collected annually, quarterly or monthly, either in arrears or in advance, at the sole discretion of the Directors.

The Directors may, in their complete and sole discretion, propose a special assessment against the Lots for one time and/or extraordinary expenses associated with the maintenance, extension or improvement of the Common Areas of the Subject Property. The Directors shall give each member notification of the proposed Special Assessment, and the time and location for the meeting of the Directors and members for consideration of the special assessment (which shall be in Marion County, Florida) not less than fourteen (14) or greater than sixty (60) days prior to the scheduled special meeting of the members. At the special meeting the special assessment (or any revised special assessment provided that the total amount is not greater than the proposed special assessment sent with the notice of the meeting) may be adopted by an affirmative vote of at least sixty percent (60%) of the votes then entitled to be cast.

The Directors shall establish a separate account for the deposit of all funds collected pursuant to this Article, and shall not place any other funds, regardless of source, in said account. All funds so deposited shall be disbursed only for improvements to, and extensions or maintenance of, the Common Areas, roadways, and drainage retention areas within NORTH POINT, costs and expenses of operating and maintaining the Association, or for purposes otherwise authorized by the Declarations, or the Board of Directors. The Directors shall keep separate records of all assessments made and collected pursuant to this Article, and all the monies deposited into, and disbursed from the account referred to above, and shall make said records available, at reasonable hours and in a reasonable manner, to any Member of the Association requesting access to same.

The assessments collected by the Association in accordance with the provisions of this Article shall also be used, to the extent required, for the maintenance and repair of the surface water or storm water management systems, including but not limited to work within retention areas, drainage structures and drainage easements.

ARTICLE 10. **Dissolution**

In the event of the dissolution of the Association, the assets of the Association shall be dedicated to an appropriate public agency to be used for purposes similar to those for which this Association was created. In the event that acceptance of such dedication is refused, such assets shall be granted, conveyed and assigned to any nonprofit corporation, association, trust, or other organization to be used for such similar purposes. Notwithstanding any other provisions contained within this Article, the Association may be dissolved only as provided in the Declaration, the Bylaws of the Association, and the laws of the State of Florida. In the event of the termination, dissolution or final liquidation of the Association, the responsibility for the operation and maintenance of the surface water or storm water management systems must be transferred to and accepted by an entity which would comply with any requirements of the St. Johns River Water Management District, including requirements of 40C-42.027, F.A.C. and be approved by the Southwest Florida Water Management District, prior to such termination, dissolution or liquidation.

ARTICLE 11.

Duration

Existence of the Association shall commence with the filing of these Articles of Incorporation with the Secretary of State, Tallahassee, Florida. The Association shall exist in perpetuity.

ARTICLE 12.
