**Mission Statement:**

Our mission is to be able to help kids that are in need in Orphanages in South America. These kids do not have a great future, and our mission to help them to achieve it. It is our goal to make a difference, and together with your help, we will be able to change their lives forever. If you believe that life is a very short experience on earth, your help is the ticket to heaven.

**1-List what the kids could be doing outside the orphanages.**

-If the kids are left in the streets, they could be doing drugs to forget their way of living, hiding their realities, and cure their pain.

- They could be stealing in the streets in order to eat or to consume more drugs. Or they could be stealing to help their mothers to survive with their other family members.

-They could be avoiding school, because it is more fun not to go to school and more fun to become a grown up earlier.

**2-Where the money would go for the Organization Purpose?**

It would differ from one orphanage to another, depending on their special needs. These kids have pathological diseases such as: Mental Disturbance, Audio Disturbance, Manner disturbance, and so on. Their age could vary between 0 to 47 year old, and they even though they could be older, they are still considered as children.

-If the orphanage is for Special Kids, kids with mental syndrome, the money would go to:

Special toys to develop their mental disease,  
School books for special kids  
Clothes  
Sound Toys for audio treatment

- For orphanages with kids that have no pathological disease, their age could vary from 3 to 14 depending on the orphanage.

- These places could receive funds for helping them with:

- \* electrical bill
- \* telephone bill,
- \* used clothes
- \* medicine
- \* school materials, such as pens, notebooks, learning toys.
- \* Alphabetization toys within the ages of 0 to 6.
- \* Any thing else that could be helpful to raise them well.

**3-Activities that are done in these orphanages.**

It depends on the classification of the Orphanages:  
Sometimes they are daycare, which is very familiar in Brazil.  
The kids go in the morning and leave the daycare in the afternoon.
