I provide childcare to children from six weeks to twelve years old in a healthy, learning, and safe environment. I provide them with two curriculums, ELLM and Links to Literacy for three to five years old. These curriculum prepare children for Kindergarten and teaches them diversity and different cultural backgrounds. We also engage in different recreation activities such as water play, kickball, riding bikes, and volleyball. I take them on field trips for learning and educational activities which includes social benefit as well as the class room activities. We take from six to ten children along with my assistance on trips to the zoo, parks, movies, baseball games, etc.
