To Whom It May Concern:

Attached please find a copy of a letter written to the Division whereby we allege dissolution articles were filed "*fraudulently by an unauthorized individual of the corporation*". Although the Division properly filed the Articles of Revocation, per our earlier request, at this time we would like to retract our statement that the dissolution paperwork was filed "*fraudulently*". Upon further review, even though the individual that filed for a dissolution had no actual authority from the Corporation to file for Dissolution, we have no evidence to substantiate our allegation that this individual acted in a fraudulent manner to take the act of filing for dissolution of the Corporation. Again, we require no action at this time; this letter is merely being written to correct the file/record whereby we retract our statement that the dissolution paperwork was in any way filed in a fraudulent manner. If you have any questions or concerns, please do not hesitate to contact me.

Respectfully,

Scott P. Kiernan
