(FOR CLARITY- Article III)

- (A) The corporation is organized for charitable, religious and educational purposes.
- (B) The corporation is formed to promulgate the teaching of the Holy Bible and to spread the Word of God to the ends of the earth.
- (C) The period of the corporation is perpetual.

The corporation shall reserve the right and the privilege to maintain the following: To play Christian music, perform interviews of Christians providing them with the opportunity to share their testimonies, to do interviews of local pastors and missionaries, and for all of us operating our Internet radio station to preach the word of God as found in the Holy Bible with practical application. We reserve the right as a Christian ministry to test those who have been trained in the word of God, and this to be done by our ordination council, and when satisfied with the results of this testing to then ordain such to the gospel preaching ministry. The preaching over our radio program will be in simple but understandable fashion for all. We will have guest speakers from time to time. We reserve the right to offer listeners the opportunity to send in prayer requests through our e-mail address and to encourage all listeners to pray for them. We reserve the right to encourage listeners to become donors and sponsors of our radio ministry, which this program is designed to be. All this to take place over our Internet "Worship And Praise Radio Program." Should our radio program begin to grow we will seek to become a professional Internet radio station and obtain the proper standing with our Internet host, live365.com. We reserve the right as we grow to add a call in time should listeners desire to ask for prayer, voice answers to prayer, and talk live, etc. Should and when we grow beyond all expectation we reserve the right to expand into a licensed AM/FM Radio Station with the proper (FCC) Federal Communication Commission Licensing.
