The organization's activities will consist primarily of providing charitable works to the general public. More specifically, the primary charitable program we will implement will be to spread the gospel of Jesus Christ as a unified Body, showing the love we have for Jesus and for each other, so others will want to become part of the "Royal Nation" of God in Christ Jesus. We plan to reach people of like faith and the public who have not had an encounter with God through His Son Jesus.

Since the company formed in 2008, the objectives of the ministry have expanded in order to help meet the many needs of the community we serve. Community concerns such as youth and adult educational deficiencies, the need for positive youth educational summer camps and after school educational programs; lack of employment education; lack of workforce skills testing or employment referral assistance; a need to educate the homeless about available shelters; affordable child

care education and training; education for seniors on programs available; nutrition counseling; tax preparation assistance; food stamp eligibility counseling; lack of job training and mentorship programs; housing rehabilitation or repair counseling; lack of music and the arts learning programs for the youth; employment education and entrepreneurship training for felons; need for advertising and marketing education; education on transportation resources to go to work or for personal needs; education on health care assistance; just to name a few. Charitable contributions are also on the decline. We realize that more resources will be required to meet these objectives. In the future, we plan to implement many aspects of the vision as soon as we acquire the necessary funds through various sources, including individual and business contributions, private agency funding, and government funded programs. We plan to spend the majority of our time and resources on charitable soul winning quest (approximately 60% of our time and resources); (40% meeting the physical needs of the community).

One individual at a time, we hope to bring hope and joy to the public, who are already starting to feel the bite of the challenges that goes along with inflation and the cares of the world. We will do all that is possible, within the reach of our resources, time, and imaginations to provide those individuals with physical and spiritual incentives to enjoy life more abundantly in Jesus Christ.

A number of volunteers, including our Board of Directors, will assist as necessary. The volunteers we will use will be solicited through volunteer banks and through the contacts our Board of Directors have made with local volunteer associations within the community. We propose to implement a website so that we may reach a broader and more diverse level of donors and possible recipients of our programs. **In the future, we plan on rewarding our Board of Directors and volunteers with salaried positions once we acquire funding through government programs, individual and business contributions, and private agency funding. In the future, we plan on utilizing independent contractors to perform any task that cannot be done by Royal Nation Ministry personnel.**

In addition to a website, Royal Nation Ministries promotes Variety Gospel Talent Shows for the general public. The programs will further the organization's tax-exempt purposes by educating the general public, specifically in the area of the Christian arts. The performances will be held in a public venue. We also hope to provide the Christian community and the general public, specifically those individuals with little or no exposure to Christians, an opportunity to experience the goodness of God through the performances of young Christian artist. These programs will also take place in public venues, which will be volunteered or rented out with money from public donations.

**They will be open to all members of the general public, and donations will be taken at the event.**

The artists themselves will volunteer their time or will be paid reasonable compensation in exchange for their services. Their compensation will come from donations this organization will obtain through donors of the general public.

### **Article I Purpose**

The purpose of the conflict of interest policy is to protect this tax-exempt organization's (Royal Nation Ministries, Inc) interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of a director of the Organization or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

### **Article II Definitions**

#### **1. Interested Person**

Any director, principal officer, or member of a committee with governing board-delegated powers, who has a direct or indirect financial interest, as defined below, is an interested person.

c. After exercising due diligence, the governing board shall determine whether the Organization can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.

d. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the governing board shall determine by a majority vote of the disinterested directors, whether the transaction or arrangement is in Royal Nation Ministries best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination, it shall make its decision as to whether to enter into the transaction or arrangement.

#### 4. Violations of the Conflicts of Interest Policy

a. If the governing board or committee has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.
