SECRETARY OF STATE  
TALLAHASSEE, FLORIDA

The Undersigned, whom are citizens of the United States, desiring to form a Nonprofit Corporation under the Nonprofit Corporation Law of Florida, do hereby certify:

**FIRST:** The name of said corporation shall be CitiGreen, Inc.

**SECOND:** The place in Florida where the principal office of the corporation is to be located at 3016 Martin St. Orlando, FL 32806

**THIRD:** The purposes for which said corporation is formed are:

CitiGreen is being established to provide education and assistance in the area of high efficiency, low emission buildings. The program will partner with OHA, HUD, Habitat for Humanity, local builders, and major media outlets in Central Florida.

CitiGreen is committed to bringing low emitting, high efficiency products and techniques to low and middle income residents. By increasing education to builders and influencing local authorities to adopt practical efficient building codes, building "Green" will no longer be not a luxury, but a standard. With the promotion of these standards, we hope to increase manufacturing demands and, in turn, reduce prices so that these products are available to all people and not exclusively for the wealthy. It is our vision to see practical, high efficiency, low emissions standards incorporated into all future buildings.

In order to achieve these goals, CitiGreen will develop four distinct community outreach programs: Public Awareness, Education Center, Residential Building Assistance, and Commercial Building Assistance.

(A) The importance of public awareness is paramount. Therefore, CitiGreen will post weekly columns in local media outlets that will provide informative pieces on the impact of high efficiency, low emitting products. It will be used to showcase new products and promote the Education Center's weekly classes on "Your Green Home" do-it-yourself tips and techniques.

(B) CitiGreen will provide an Education Center to the public free of charge. It will contain a wide array of high efficiency, eco products that people can see, touch and learn about first-hand. Educated staff will be available to explain the economic and environmental benefits of the products on display. In addition, self-help classes will be offered on a regular basis.

(C) CitiGreen will provide residential building assistance to lower income home buyers to construct LEED Silver Homes. We will provide the developer with a LEED AP commissioning agent and will bring together a team of Architects, Engineers, and Contractors that are both knowledgeable and experienced with Green building standards.

(D) Commercial building assistance will also be provided. CitiGreen will assist small business owners with resources and guidance to build office space that meet LEED Silver status.

**FOURTH:** The Following persons shall serve said corporation as Board of Directors until the first annual meeting.

Timothy A. Garito	3016 Martin St. Orlando, FL 32806
Martha L. Garito	970 Douglas Ave. Palm Bay, FL 32907
Elizabeth H. Roberts	9103 San Ambrosio Dr. Orlando, FL 32836
Breanne T. Gemines	6040 Bent Pine Dr. #3238 Orlando, FL 32822
Andrew G. Campbell	7283 Oak Meddows Circle Orlando, FL 32835

**FIFTH:** The registered agent's name and address is:

Timothy A. Garito, 3016 Martin St. Orlando, FL 32806

**SIXTH:** The name and address of the Incorporator is:

Timothy A. Garito, 3016 Martin St. Orlando, FL 32806
