Dear Cardiac Kids Board Members,

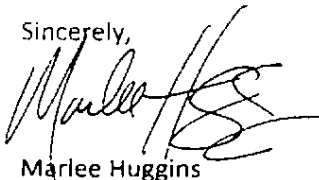

It is with a broken heart, that I am sending out this letter. I want to express my gratitude to those of you that have traveled this 10 year adventure with myself and the Huggins family. We have had a great run. Together, we have helped multiple cardiac families all over the United States and in Jamaica. Plus, we have provided cardiac medical equipment, money towards CHD research, and education to people that work with CHD kids. Sadly, this letter is to inform you that I am resigning my position on the Cardiac Kids Foundation of Florida Board.

This decision was not an easy one, and involved countless hours of thoughtful consideration, particularly with respect towards Kalani's feelings along with future plans involving the Huggins family. Recently, some board members have started pointing the foundation in a direction I personally do not agree with. During my reflection on this situation, I realized, I choose my family over extreme conflict with board members. It should not be a battle to help people.

I will reach out to Dr. Jacobs about the monies in the cardiac kids account that is for my family attending a mission trip when his team is able to head back down to Kingston.

I hope you will respect my position in the matter stated above. My main thoughts are to focus on my children and enjoying more quality time with my family.

Sincerely,

Marlee Huggins
