**WORKPLACE CHAMPIONS --**

**Did you know that 10 million Americans are caring for an individual with Alzheimer's or related dementia? The majority of people who care for an adult over 60 also work full time. And now 78 million baby boomers are approaching the age of greatest risk for the disease. That's why we need you to take our cause into your workplace!**

**There are plenty of things you can do in your workplace to raise awareness of Alzheimer's disease and funds for our local chapter. Visit [http://www.actionalz.org/workplace\\_champions.asp](http://www.actionalz.org/workplace_champions.asp) for some fun and easy ideas to get you started**
