**RE: Amendment/Inclusion of EIN**

Dear Karen: Thank you for talking with me regarding delay in including our EIN number so that we may continue licensure for our substance abuse program. I submitted on Monday of last week, as it is imperative that we meet a deadline for licensure for our substance abuse program. As we discussed, our substance abuse license number is generated from our EIN# through our certificate with your department. The information that you requested is below:

**DOCUMENT NO: N09000008485**

Please include the following EIN number

**EIN: 900513425**

We appreciate your help in the matter, and we especially appreciate that you will clear this up today. Again, thank you for your help.
