The name of this corporation is **WINDS OF TAMPABAY, INC.** The initial Address of the Principal office is 7810 42nd Way, Pinellas Park, FL 33781.

ARTICLE II - STATEMENT OF CORPORATE NATURE

This is a non-profit corporation organized solely for general educational purposes pursuant to the Florida Corporation Not-for-Profit law set forth in Part 1 of Chapter 617 of the Florida Statutes.

ARTICLE III - GENERAL AND SPECIFIC PURPOSES

(A) The specific purpose for which this corporation is formed is to provide a vehicle for the funding of other IRS section 501(c)(3) recognized organizations and to initiate, fund and administer a wide variety of charitable, educational, religious scientific, or literary projects.

(B) The general purposes for which this corporation is formed are to operate exclusively for religious, charitable, educational scientific or literary purposes as will qualify it as an exempt organization under Section 501(c)(3) of the Internal Revenue Code of 1954 or corresponding provisions of any subsequent Federal Tax Laws, including for such purposes, the making of distributions to organizations which qualify as tax exempt organizations under that code.

Notwithstanding any other provisions of these articles, this organization shall not carry on any activities not permitted to be carried on by an organization exempt from Federal Income Tax under section 501(c)(3) of the Internal Revenue Code of 1986 or the corresponding provision of any future United States Internal Revenue Law.

Within the limitations of the intent of this subsection (B), this corporation is organized for the purpose of transacting any and all lawful business for which corporations may be incorporated under Chapter 617, Florida Statutes, as now exists or may after be amended.

(C) The corporation shall not as a substantial part of its activities, carry on propaganda or otherwise attempt to influence legislation; nor shall it participate nor intervene (by publication or distribution of any statement or otherwise) in any political campaign on behalf of any candidate for public office.

(D) The corporation shall have the following "Conflict of Interest" policy:

(E) **CONFLICTS OF INTEREST POLICY**

Section I

Purpose

The purpose of the conflicts of interest policy is to protect the Corporation's interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or director of the Corporation. This policy is intended to supplement but not replace any applicable state laws governing conflicts of interest applicable to nonprofit and charitable corporations.

Section II

Definitions

1. Interested Person

Any director, principal officer, or member of a committee with board delegated powers who has a direct or indirect financial interest, as defined below, is an interested person.

2. Financial Interest

A person has a financial interest if the person has, directly or indirectly, through business, investment or family-a, an ownership or investment interest in any entity with which the Corporation
has a transaction or arrangement, or

b. a compensation arrangement with the Corporation or with any entity or individual with which the Corporation has a transaction or arrangement, or

- c. a potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Corporation is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration as well as gifts or favors that are substantial in nature.

A financial interest is not necessarily a conflict of interest. Under Article III, Section 2, a person who has a financial interest may have a conflict of interest only if the appropriate board or committee decides that a conflict of interest exists.

Section III

Procedures

1. Duty to Disclose

In connection with any actual or possible conflicts of interest, an interested person must disclose the existence of his or her financial interest and must be given the opportunity to disclose all material facts to the directors and members of committees with board delegated powers considering the proposed transaction or arrangement.

2. Determining Whether a Conflict of Interest Exists

After disclosure of the financial interest and all material facts, and after any discussion with the interested person, he/she shall leave the board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists.

3. Procedures for Addressing the Conflict of Interest

- a. An interested person may make a presentation at the board or committee meeting, but after such presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement that results in the conflict of interest.

- b. The chairperson of the board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
- c. After exercising due diligence, the board or committee shall determine whether the Corporation can obtain a more advantageous transaction or arrangement with reasonable efforts from a person or entity that would not give rise to a conflict of interest.
- d. If a more advantageous transaction or arrangement is not reasonably attainable under circumstances that would not give rise to a conflict of interest, the board or committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in the Corporation's best interest and for its own benefit and whether the transaction is fair and reasonable to the Corporation and shall make its decision as to whether to enter into the transaction or arrangement in conformity with such determination.

4. Violations of the Conflicts of Interest Policy

- a. If the board or committee has reasonable cause to believe that a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.
- b. If, after hearing the response of the member and making such further investigation as may be warranted in the circumstances, the board or committee determines that the member has in fact failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

Section IV

Records of Proceedings

The minutes of the board and all committee with board-

delegated powers shall contain the names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the board's or committee's decision as to whether a conflict of interest in fact existed.

2. the names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection therewith.

Section V

The periodic reviews shall, at a minimum, include the following subjects:
