Dear Ms. Cunningham:

Thank you for your informative letter (Number 709A00037964). Clearly we are novices at this work and appreciate your help in getting us moving in the right direction. I had been under the mistaken impression that two very different entities could have the same name (i.e. ACME Plumbing vs. ACME Face Cream) and that is how the error was made.

I called your number to clarify a bit further, but did not get an answer or voice mail, so I spoke with one of your colleagues at another number listed in the "Contact Us" section online. She advised me about using another identifier so long as it was not Florida so we have settled upon "Americain Consulting" (since our title PAPILLON is French to begin with we'll use the French spelling for "American") and we have now updated and inserted the name into our documents.

We have moved the effective date up to January 18, 2010 to accommodate the delay.

Thank you for your assistance. I hope you had a safe and enjoyable holiday.

Sincerely,

  
Kathleen Murff Whiting
