The FEIN number is issued to IRS and then it is up to you to give it to us to put on our records. You can reply back to this email with your number and we will update our records. When you reply please include your corporate name and document number.

I just filed over the internet to receive my fein and received it right away 27-1775312. However, when I went to print the confirmation letter i was kicked off the internet. Do I still have this number with you (irs said to email you) and do I still get a letter of confirmation somewhere or is this number on the page i printed good enough. Thank you so much.
