The assessments shall be used for the maintenance and repair of the Stormwater Management System, including but not limited to, work with retention areas, drainage structures and drainage easements.

The foregoing enumeration of powers shall not limit or restrict in any manner the exercise of other and further rights and powers that may now or hereafter be allowed or permitted by law; and the powers specified in each of the paragraphs of this Article are independent powers, not to be restricted by reference to or inference from the terms of any other paragraph or provision of this Article.

Article 6. Members. The Association shall be a membership corporation without certificates or shares of stock. There shall be two classes of membership, as more fully set forth in the Declaration. The Owner of each Unit, as those terms are defined in the Declaration, shall be a member of the Association and shall be entitled to vote as provided in the Declaration and the By-Laws. In addition, the Declarant shall be a Member for such period as provided in the Declaration, regardless of whether the Declarant owns any Unit.

Change of an Owner's membership in the Association shall be established by recording in the Official Records of St. Johns County, Florida, a deed or other instrument establishing record title to a Unit. Upon such recordation, the Owner designated by such instrument shall become a member of the Association and the membership of the prior Owner shall terminate.

Article 7. Board of Directors. A Board of Directors shall conduct, manage, and control the Association's business affairs. The Board may delegate its operating authority to such companies, individuals, or committees as it, in its discretion, may determine.

The method of election and removal, the method of filling vacancies, and the term of offices of directors shall be as set forth in the By-Laws.

Article 8. Liability of Directors. Notwithstanding limitation of the Florida Corporation Not-For-Profit Act, as it exists on the date hereof or as it may hereafter be amended, permitting the limitation or elimination of the liability of directors, no director of the Association, including any director appointed by the Declarant, shall be personally liable to the Association or its members for monetary damages for breach of duty of care or other duty as a director, if such person acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Association and with respect to any criminal action or proceeding, had no reasonable cause to believe that such action was unlawful. The termination of any such action, suit or proceeding by judgment, order, settlement, conviction or a plea of nolo contendere or its equivalent shall not in itself create a presumption that the director did not act in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interest of the Association or that he or she had reasonable cause to believe that his or her conduct was unlawful. No amendment to or repeal of this Article shall apply to or have any effect on the liability or alleged liability of any director for or with respect to any acts or omissions of such director occurring prior to such amendment or repeal.

Article 9. Existence and Duration. Existence of the Association shall commence with the filing of these Articles of Incorporation with the Secretary of State, Tallahassee, Florida. The Association shall exist in perpetuity.

Article 10. Amendments. Until termination of the Declarant Control Period, the Declarant may unilaterally amend these Articles for any purpose not expressly prohibited herein as long as such amendment will not have a materially adverse effect on the rights of any Owner or the Community. The Declarant shall also have the unilateral right to amend this Declaration without the approval of the Members in order to bring this Declaration into compliance with all regulations and requirements of any federal, state or local agency, an insurer or governmental guarantor of a first mortgage, or federally insured mortgagee and/or lender including, but not limited to, FHA, VA, FNMA and/or FHLMC. Thereafter, amendments to these Articles of Incorporation may be proposed and adopted upon a resolution duly adopted by the Board and the affirmative vote or written consent of Members representing at least 67 percent of the total votes in the Association. In addition, during the Development and Sale Period, any amendment shall require the Founder's consent. No amendment may be in conflict with the Declaration, and no amendment shall be effective to impair or dilute any rights of the Members granted under such Declaration. All amendments to these Articles, the By-Laws and the Declaration which alter the Stormwater Management System beyond maintenance in its original condition must be approved by the St. Johns River Water Management District prior to taking effect.

Article 11 Dissolution. The Association may be dissolved only as provided by Florida law. If the Association is dissolved, the net assets shall be conveyed to another Florida corporation not-for-profit with purposes similar to the Association. In the event of termination, dissolution or final liquidation of the Association, the responsibility for the operation and maintenance of the Stormwater Management System must be transferred to and accepted by an entity which would comply with Section 40C-42.027, Florida Administrative Code, and be approved by the St. Johns River Water Management District prior to such termination, dissolution or liquidation.

Article 12. Enforcement.
