A. To hold funds solely and exclusively for the benefit of the Members for purposes set forth in these Articles of Incorporation.

B. To promulgate and enforce rules, regulations, bylaws, covenants, restrictions and agreements to effectuate the purposes for which the Association is organized.

C. To delegate power or powers where such is deemed in the interest of the Association.

D. E. J. In general, to have all powers conferred upon a corporation by the laws of the State of Florida, except as prohibited herein and by the terms and conditions set forth in the Declaration.

V. **MEMBERS.**

The members ("Members") shall consist of the Developer, each Owner.

## **VI. VOTING AND ASSESSMENTS.**

A. Subject to the restrictions and limitations hereinafter set forth, each Member, other than the Developer, shall be entitled to the number of votes in the Association computed as follows:

1. The Members, other than the Developer, who are Owners shall have one vote for each Lot or owned by them. The votes of Members who are Owners shall be exercised directly by such Owners or their authorized representatives.

2. The Developer shall have the number of votes equal to the number of votes allocated to the Members other than the Developer, plus one vote. The Developer shall have such voting rights for so long as it shall own any portion of the Property, or until it shall voluntarily relinquish its right to vote in Association matters, whichever shall first occur.

B. When an Owner who is a Member is comprised of one or more persons or entities, all such persons shall be Members, and the vote(s) for the applicable portions of the Property shall be exercised as they among themselves shall determine. The votes allocated to any Owner pursuant to these Articles, cannot be divided for any issue and must be voted as a whole, except where otherwise required by law. The affirmative vote of a majority of the votes allocated to the Members cast at any meeting of the Members duly called at which a quorum is present, or cast by written ballot by a quorum of the membership, shall be binding upon the Members and the Association.

C. The Association will obtain funds with which to operate by assessment of the Owners in accordance with the provisions of the Declaration, as supplemented by the provisions of the Articles and Bylaws of the Association relating thereto. Any Member who is delinquent in the payment of assessments due the Association shall be deemed to be not in good standing with the Association for the period of time that such delinquency shall continue.

## **VII. BOARD OF DIRECTORS.**

A. The affairs of the Association shall be managed by a Board of Directors consisting of three (3) Directors. Directors need not be Members of the Association and need not be residents of the State of Florida; provided however, no person who is a Member who is not in good standing with the Association shall be eligible to serve as a Director. For so long as it shall own any portion of the Property, the Developer shall have the right to appoint all of the members of the Board of Directors.

B. Elections of members of the Board of Directors shall be by plurality vote. At the first annual election following the Developer's relinquishment of its right to appoint all of the members of the Board of Directors, the terms of office of the two (2) Directors receiving the highest number of votes shall be established at two (2) years. The remaining Director shall serve for a term of one (1) year. Thereafter, as many Directors shall be elected and appointed, as the case may be, as there are regular terms of office of Directors expiring at such time; and the term of each Director so elected or appointed at each annual election shall be for two (2) years expiring at the second annual election following their election, and thereafter until their successors are duly elected and qualified, or until removed from office with or without cause by the affirmative vote of a majority of the Members. In no event can a Board Member appointed by the Developer be removed except by action of the Developer. Any Director appointed by the

Developer shall serve at the pleasure of the Developer, and may be removed from office, and a successor Director may be appointed, at any time by the Developer.

C. The names and addresses of the members of the first Board of Directors who shall hold office until the first annual meeting of the Members and until their successors are elected or appointed and have qualified, are as follows:

**XII. INCORPORATOR.**

The name and address of the Incorporator is as follows:

**XIII. INDEMNIFICATION OF OFFICERS AND DIRECTORS.**

A. To the extent allowed by law, the Association hereby indemnifies any Director or officer made a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding:

1. Whether civil, criminal, administrative, or investigative, other than one by or in the right of the Association to procure a judgment in its favor, brought to impose a liability or penalty on such person for an act alleged to have been committed by such person in his capacity as a Director or officer of the Association or as a director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees, actually and necessarily incurred as a result of such action, suit or proceeding or any appeal thereof, if such person acted in good faith in the reasonable belief that such action was in the best interests of the Association, and in criminal actions or proceedings, without reasonable grounds for belief that such action was unlawful. The termination of any such action, suit or proceeding by judgment, order, settlement, conviction or a plea of nolo contendere or its equivalent shall not in itself create a presumption that any such Director or officer did not act in good faith in the reasonable belief that such action was in the best interest of the Association or that he had reasonable grounds for belief that such action was unlawful.

2. By or in the right of the Association to procure a judgment in its favor by reason of his being or having been a Director or officer of the Association, or by reason of his being or having been a director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against the reasonable expenses including attorneys' fees, actually and necessarily incurred by him in connection with the defense or settlement of such action, or in connection with an appeal therein if such person acted in good faith in the reasonable belief that such action was in the best interest of the Association. Such person shall not be entitled to indemnification in relation to matters to which such person has been adjudged to have been guilty of gross negligence or misconduct in the performance of his duty to the Association unless, and only to the extent that, the court, administrative agency, or investigative body before which such action, suit or proceeding is held

shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which such tribunal shall deem proper.

B. The Board of Directors shall determine whether amounts for which a Director or officer seek indemnification were properly incurred and whether such Director or officer acted in good faith in a manner he reasonably believed to be in the best interests of the Association, and whether, with respect to any criminal action or proceeding, he had no reasonable ground for belief that such action was unlawful. Such determination shall be made by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding.

C. The foregoing rights of indemnification shall not be deemed to limit in any way the powers of the Association to indemnify under applicable law.

#### **XIV. TRANSACTION IN WHICH DIRECTORS OR OFFICERS ARE INTERESTED.**

A. No contract or transaction between the Association and one or more of its Directors or Officers, or between the Association and any other corporation, partnership, association, or other organization in which one or more of its Directors or Officers are Directors or Officers, or in which they have a financial interest, shall be invalid, void or voidable solely for this reason, or solely because the Director or officer is present at or participates in the meeting of the Board or committee thereof which authorizes the contract or transaction, or solely because his or their votes are counted for such purpose. All such contracts or transactions shall, however, be fair and reasonable and upon terms reasonably comparable to those which could be obtained in arms-length transactions with unrelated entities. No Director or Officer of the Association shall incur liability by reason of the fact that he is or may be interested in any such contract or transaction.

B. Interested Directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorized the contract or transaction.

#### **XV. DISSOLUTION OF THE ASSOCIATION.**

A. Upon dissolution of the Association, all of its assets remaining after provisions for creditors and payment of all costs and expenses of such dissolution shall be distributed in the following manner:

1. Dedication to any applicable municipal or other governmental authority of any property determined by the Board of Directors of the Association to be appropriate for such dedication and which the authority is willing to accept.

2. Remaining assets shall be distributed among the Members, subject to the limitation set forth below, each Member's share of the assets to be determined by multiplying such remaining assets by a fraction the numerator of which is all amounts assessed by the Association since its organization against the portion of Property which is owned by the Member at that time, and the denominator of which is the total amount (excluding penalties and interest) assessed by the Association against all properties which at the time of dissolution are part of the

Property. The year of dissolution shall count as a whole year for purposes of the preceding fractions.

B. The Association may be dissolved upon a resolution to that effect being approved by a majority of the Board of Directors and by two-thirds (2/3) of the Members. In the event of incorporation by annexation or otherwise, of all or part of the Property by a political subdivision of the State of Florida, the Association may be dissolved in the manner set forth above.

C. In no event shall the Association be dissolved or merged, and any attempt to do so shall be ineffective, unless and until maintenance responsibility for the Surface Water or Stormwater Management System and discharge facilities located within the Property is assumed by an entity acceptable to the St. Johns River Water Management District, Florida Department of Environmental Regulation, or other governmental authority having jurisdiction, pursuant to the requirements of Rule 40C-42.027, Florida Administrative Code, or other administrative regulation of similar import. Further, such dissolution or merger shall require the prior approval of the Army Corps of Engineers.

**XVI. MERGERS AND CONSOLIDATIONS.**

Subject to the provisions of the Declaration applicable to the Property and to the extent permitted by law, the Association may participate in mergers and consolidations with other nonprofit corporations organized for the same purposes, provided that any such merger or consolidation shall be approved in the manner provided by Chapter 617, Florida Statutes as the same may be amended from time to time. For purposes of any vote of the Members required pursuant to said statutes, for so long as the Developer shall own any portion of the Property, any such merger or consolidation shall require the Developer's prior approval.
