Dear Shelby:

This letter provides a very basic introduction to the procedures involved in starting and operating a nonprofit corporation in Florida. It also summarizes what steps we, as your consultants, are performing.

Your corporation is formed when a document, called Articles of Incorporation, is filed with the Secretary of State's office in Tallahassee. The filing fee is \$78.75. Since it is not practical for us to keep up with the vastly different and ever-changing requirements in every community across the country, a quick call to your County Clerk's office is warranted.

You have downloaded the following:

- ◆ Articles of Incorporation w/transmittal letter
- ◆ Bylaws
- ◆ Template for Minutes of Initial Directors' Meeting

Only the Articles of Incorporation and the transmittal letter should be filed with the Secretary of State. Sign and date where indicated and include two copies. It does not require notarization. Mail, along with your filing fee made payable to **Department of State**, to:

Department of State  
Division of Corporations  
P.O. Box 6327  
Tallahassee, FL 32314

Please return a copy of the filed Articles to us when they are returned from the state. If you receive any notice from the State office requesting changes to the Articles just fax me a copy of their notice and I will respond for you.

The bylaws are for internal use by your board of directors. This document describes the manner in which your organization is governed. Your Board of Directors should review and adopt these bylaws and the corporate secretary should sign and date the last page. A copy should be in the corporate files at all times. Fax us a copy of the signed last page for our files.

The Minutes template is for your convenience. This document may be used as a guide for your initial board meeting and/or to record the transactions of that meeting. We do not need a copy of this.
