ARTICLE III PURPOSE

The purpose for which this corporation is formed is to monitor the fish and invertebrate populations on the near shore artificial and natural reefs of the Tampa Bay area. These scientific studies will allow these Reef Monitoring Inc. scientists to establish a "base line" of these valuable marine resources in the event they are impacted by either a man-made or natural event in the future. This corporation will also involve members of the local diving community in the collection of this scientific data, and seek to educate the public on the importance of these valuable underwater communities to our local ecology and the economy of the Tampa Bay area.

This organization is organized exclusively for charitable, religious, educational, and scientific purposes, including, for such purposes, the making of distributions to organizations that qualify as exempt organizations under section 501(c) (3) of the Internal Revenue Code, or corresponding section of any future federal tax code.

ARTICLE VIII DISSOLUTION OF ASSETS

In the event that this corporation is dissolved, all assets will be donated to the Natural Science Department of the Clearwater Campus of St. Petersburg College, as long as the College qualifies under 501(c)(3) or is a governmental unit. If the College no longer qualifies as a 501 (c)(3) , then the assets shall be distributed for one or more exempt purposes within the meaning of section 501 (c) (3) of the Internal Revenue Code, or corresponding section of any future federal tax code, or shall be distributed to the federal government, or to a state or local government, for a public purpose. Any such assets not disposed of shall be disposed of by the Court of Common pleas of the county in which the principal office of the organization is then located, exclusively for such purposes or to such organization or organizations, as said Court shall determine, which are organized and operated exclusively for such purposes.
