## **Exhibit A**

Mission Flight United will not be involved in any activities that are not permitted to be carried on by an organization exempt from Federal income tax under 501 ( c ) ( 3 ) of the Internal Revenue code. We will meet this requirement as a charity for at risk and or under privileged youth and as educational mentor ship using aviation material. We will also work through local churches to supplement their youth outreach programs.

The activities of MFU shall be educational in nature with emphasis on aviation. Youth mentor ship is our major concern to teach good life skills such as obeying the rules, weather prediction, safety, being aware of your surroundings, compass orienteering, over coming fear and the science of aviation. Students will earn the privilege of going in an aircraft and participating in the preparation of a cross country flight only after meeting certain levels of participation in the class room. We want to enable youth to experience a world they might not do on their own but must work for it. MFU will be able to cover the costs of these activities only as we receive contributions and grants.

Another purpose will be to make ourselves available to other ministry opportunities as they come available.

Upon the dissolution of this organization assets shall be donated to local church youth organizations and or their missionaries.
