Board of Directors,

Effective September 28, 2014 hereby I tender my resignation from the Board of Directors for the following reasons:

- 1) Collusion among members of the board where meetings and decisions are made in secrecy.
- 2) Conflict of interests from the current president of the board that undermine its credibility and position as well as of the whole board of directors.
- 3) Disagreement with the administrative directives and policies of the board for the management and future of the club.
- 4) Lack of transparency and suspicious efforts of some members of the Board of Directors to avoid implementing a public financial disclosure of the financials of the club with its members.

Sincerely,

Fernando Arias
