XII. INDEMNIFICATION OF OFFICERS AND DIRECTORS.

A. To the extent allowed by law, the Association hereby indemnifies any Director or officer made a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding:

1. Whether civil, criminal, administrative, or investigative, other than one by or in the right of the Association to procure a judgment in its favor, brought to impose a liability or penalty on such person for an act alleged to have been committed by such person in his capacity as a Director or officer of the Association or as a director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees, actually and necessarily incurred as a result of such action, suit or proceeding or any appeal thereof, if such person acted in good faith in the reasonable belief that such action was in the best interests of the Association, and in criminal actions or proceedings, without reasonable grounds for belief that such action was unlawful. The termination of any such action, suit or proceeding by judgment, order, settlement, conviction or a plea of nolo contendere or its equivalent shall not in itself create a presumption that any such Director or officer did not act in good faith in the reasonable belief that such action was in the best interest of the Association or that he had reasonable grounds for belief that such action was

((H10000229063 3)))

((H10000229063 3)))

unlawful.

2. By or in the right of the Association to procure a judgment in its favor by reason of his being or having been a Director or officer of the Association, or by reason of his being or having been a director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against the reasonable expenses including attorneys' fees, actually and necessarily incurred by him in connection with the defense or settlement of such action, or in connection with an appeal therein if such person acted in good faith in the reasonable belief that such action was in the best interest of the Association. Such person shall not be entitled to indemnification in relation to matters to which such person has been adjudged to have been guilty of gross negligence or misconduct in the performance of his duty to the Association unless, and only to the extent that, the court, administrative agency, or investigative body before which such action, suit or proceeding is held shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which such tribunal shall deem proper.

B. The Board of Directors shall determine whether amounts for which a Director or officer seek indemnification were properly incurred and whether such Director or officer acted in good faith in a manner he reasonably believed to be in the best interests of the Association, and whether, with respect to any criminal action or proceeding, he had no reasonable ground for belief that such action was unlawful. Such determination shall be made by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding.

C. The foregoing rights of indemnification shall not be deemed to limit in any way the powers of the Association to indemnify under applicable law.

XIII. TRANSACTION IN WHICH DIRECTORS OR OFFICERS ARE INTERESTED.

A. No contract or transaction between the Association and one or more of its Directors or officers, or between the Association and any other corporation, partnership, association, or other organization in which one or more of its Directors or officers are Directors or officers, or in which they have a financial interest, shall be invalid, void or voidable solely for this reason, or solely because the Director or officer is present at or participates in the meeting of the Board or committee thereof which authorizes the contract or transaction, or solely because his or their votes are counted for such purpose. All such contracts or transactions shall, however, be fair and reasonable and upon terms reasonably comparable to those which could be obtained in arms-length transactions with unrelated entities. No Director or Officer of the Association shall incur liability by reason of the fact that he is or may be interested in any such contract or transaction.

((H10000229063 3)))

((H10000229063 3)))

A. Upon dissolution of the Association, all of its assets remaining after provisions for creditors and payment of all costs and expenses of such dissolution shall be distributed in the following manner:

1. Dedication to any applicable municipal or other governmental authority of any property determined by the Board of Directors of the Association to be appropriate for such dedication and which the authority is willing to accept.

2. If no municipal or governmental authority will accept such dedication, the assets shall be distributed among the Members, subject to the limitation set forth below, each Member's share of the assets to be determined by multiplying such remaining assets by a fraction the numerator of which is all amounts assessed by the Association since its organization against the portion of Property which is owned by the Member at that time, and the denominator of which is the total amount (excluding penalties and interest) assessed by the Association against all properties which at the time of dissolution are part of the Property. The year of dissolution shall count as a whole year for purposes of the preceding fractions.

B. The Association may be dissolved upon a resolution to that effect being approved by a majority of the Board of Directors and by two-thirds (2/3) of the Members. In the event of incorporation by annexation or otherwise, of all or part of the Property by a political subdivision of the State of Florida, the Association may be dissolved in the manner set forth above.

C. In the event of termination, dissolution or final liquidation of the Association, the responsibility for the operation and maintenance of the Surface Water or Stormwater Management System must be transferred to and accepted by an entity which would comply with Section 40C-42.027, F.A.C., or any similar rule, and such entity must be approved by the St. Johns River Water Management District prior to such termination, dissolution or liquidation.

XV. MERGERS AND CONSOLIDATIONS.

Subject to the provisions of the Declaration applicable to the Property and to the extent permitted by law, the Association may participate in mergers and consolidations with other nonprofit corporations organized for the same purposes, provided that any such merger or consolidation shall be approved in the manner provided by Chapter 617, Florida Statutes as the same may be amended from time to time. For purposes of any vote of the Members required

((H10000229063 3)))
