**Subject:** Change on Sunbiz

Please note and share with all of your staff, that we have enhanced the link from the front page of sunbiz for address/fei# changes. There are now two links for address/fei# changes.....one for COR and one for FIC. This will speed up processing of the FIC requests. We are also "pushing" the fact that an Annual Report should be filed to make address changes and to use this link for changes after an AR has been filed. We are experiencing a HEAVY amount of address change requests and anything we can do to cut down of the requests will be helpful. We have some other plans for legislative changes that may help down the road. Tell everyone to look at the link so they will be familiar with it. A special THANKS to Kristy for making all of the changes and adding the links for us.
