To Whom It May Concern:

I am sending this letter to re-file for IHeart Foundation. I was unaware that I could not file again online, therefore I was rejected because once before filed for IHeart foundation: record #N09000008972--IHEART FOUNDATION INC in 2008. I called into your customer service center and they told me to write a letter explaining the online filing and also send a letter releasing the old IHeart Foundation name. As I stated before I filed once in 2008 and the foundation had to be put on hold and therefore put on inactive status. Once the time came to re-file, I thought I could do it on line. I will provide an additional letter releasing the name so that I may re-file. I have already paid the filing fee and filled out info online. You may contact me with the information provided at the top of this letter.

Sincerely,

Briana Floyd, RN

President, IHeartFoundation

This letter is to release the name IHeartFoundation used for filing #N09000008972 so that I may re-file with #W10000058244. I am president of IHeart Foundation and tried to start the organization in 2008. Due to some fall outs and obstacles I was not able to keep IHeart active. Now after re-filing, I was rejected not knowing that I had to release the name first. Thank you very much and sorry for any inconvenience. All contact information is located on top of this letter and the accompanying letter.

Sincerely,

Briana Floyd, RN
