To Whom It May Concern:

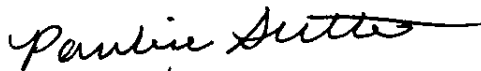

As an organization our mission is to serve and help all regardless of their socio economic status or race.

As a non-profit our focus will be on our children

Many of our youths have forfeited their dreams of becoming the next president, lawyer, educator, doctor, etc. They believe it's all unattainable for their lives. We want them to know they are all precious in our sight, and **YES, They are "Winners for Life" THEY CAN MAKE IT!!**

Thanking you in advance for your support, and for believing in our children.

Sincerely,

Pauline Sutton

Our mission is to provide services and knowledge that will help to develop our young people into positive thriving successful citizens in their future. We will offer many services that will aim to educate children in various areas. Children will receive:

- Academic tutoring
- Safety tips
- Sex Education (sexual diseases, HIV)
- Positive encouragement
- Educational seminars (police officers, financial advisors, nurses, firefighters)
- Nutrition & fitness
- Extra curriculum Activities (field trips)

Our children are our future. We want to help as many children as possible to become productive and prosperous future citizens. This organization will be another foundation for children to reach their dreams and goals. In addition, we will also teach children the importance of giving back to their community. Each child will complete community service by helping the elderly, participating in food drives, and donations to the elderly and less fortunate families of the community. Our children are important and they need to understand that we care and they have the support of their community. Our organization could be a foundation that will help children to achieve and succeed.
