INDEMNIFICATION OF OFFICERS AND DIRECTORS

1. The Association hereby indemnifies any Director or Officer made a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding:

a. Whether civil, criminal, administrative or investigative, other than one by or in the right of the Association to procure a judgment in its favor, brought to impose a liability or penalty on such person for any act alleged to have been committed by such person in his capacity of Director or Officer of the Association, or in his capacity as a Director, Officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees, actually and necessarily incurred as a result of such action, suit or proceeding or any appeal therein, if such person acted in good faith in the reasonable belief that such action was in the best interests of the Association, and in criminal actions or proceedings, without reasonable ground for belief that such action was unlawful. The termination of any such action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not in itself create a presumption that any such Director or Officer did not act in good faith in the reasonable belief that such action was in the best interests of the Association or that he had reasonable grounds for belief that such action was unlawful.

b. By or in the right of the Association to procure a judgment in its favor by reason of his being or having been a Director or Officer of the Association, or by reason of his being or having been a Director, Officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against the reasonable expenses, including attorneys' fees, actually and necessarily incurred by him in connection with the defense or settlement of such action, or in connection with an appeal therein, if such person acted in good faith in the reasonable belief that such action was in the best interests of the Association. Such person shall not be entitled to indemnification in relation to matters as to which such person has been adjudged to have been guilty of negligence or misconduct in the performance of his duty to the Association unless and only to the extent that the court, administrative agency, or investigative body before which such action, suit or proceeding is held shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which such tribunal shall deem proper.

2. The Board of Directors shall determine whether amounts for which a Director or Officer seeks indemnification were properly incurred and whether such Director or Officer acted in good faith and in a manner he reasonably believed to be in the best interests of the Association, and whether, with respect to any criminal action or proceeding, he had no reasonable ground for belief that such action was unlawful. Such determination shall be made by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding.

3. The foregoing rights of indemnification shall not be deemed to limit in any way the powers of the Association to indemnify under applicable law.

ARTICLE XVI

TRANSACTIONS IN WHICH DIRECTORS OR OFFICERS ARE INTERESTED

Fax Audit No.: H11000139894 3

Fax Audit No.: H11000139894 3

1. With the exception of Directors and Officers appointed by the Class B Members, any financial or familial interest of an Officer or Director in any contract or transaction between the Association and one (1) or more of its Directors or Officers, or between the Association and any other corporation, partnership, association or other organization in which one (1) or more of its Directors or Officers are directors or officers, or have a financial interest, shall be disclosed, and further shall be voidable solely for this reason, or solely because the Director or Officer is present at or participates in the meeting of the Board or committee thereof which authorized the contract or transaction or solely because his or their votes are counted for such purpose. No Director or Officer of the Association shall incur liability by reason of the fact that he is or may be interested in any such contract or transaction.

2. Interested Directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorized the contract or transaction, but must abstain from voting on the issue.

ARTICLE XVII. - DISSOLUTION

The Association may be dissolved if seventy-five (75%) percent of the votes cast at a duly held meeting of the Members of the Association vote in favor of dissolution. Upon dissolution of the Association, other than incident to a merger or consolidation, the assets of the Association shall be dedicated to an appropriate public agency to be used for purposes similar to those for which this Association was created. In the event that such dedication is refused acceptance, such assets shall be granted, conveyed and assigned to any nonprofit corporation, association, trust or other organization to be devoted to such similar purposes.
