To Whom It May Concern:

This letter is to notify any inquiring party that we, the associates for **Just Wright Vision**, have no intention on revoking Just Wright Vision, LLC. No business was ever conducted under the LLC listing. We recently refilled Just Wright Vision as a Non-Profit organization and that is what we choose to operate under.

Thank you for your help in this matter and please contact our office with any questions or concerns.

Sincerely,

Mr. T. Wright,  
CEO/Just Wright Vision
