Our mission and primary purpose is to contribute to the development of good character and good sportsmanship of minors, predominantly 17 years of age and under, while building strong teams and strong players through positive attitude and training in the fundamentals of softball. We will provide the foundation, training and opportunities necessary for our girls to play at the highest level possible; ultimately building the confidence and skill necessary to enable them to play at the college level. We are confident that every player emerging from the Florida Lady Angel's program will have had an opportunity to enhance their softball ability while learning life and social skills such as enjoying pride in achievement through sustained effort and self-confidence while having respect for others as well as one's self.
