Chai Preschool Academy is a program under Chai Community Services, Inc a non-profit 501C3 organization which unites children, teachers, family and community in a positive and constructive early childhood experience.

Our non-denominational faith based values drive the curriculum, environment and school culture. We model and encourage kindness, respect, compassion, confidence and responsibility. The book of proverbs teaches that the formative years of early childhood are vitally important. A child is viewed as a seed that we nurture with the utmost care, since the seed's every experience will shape and color the quality of its matured self.

Our non-denominational faith based teachings underscores the uniqueness of every child with teaching us to train children according to their individual paths. We recognize that each child has his or her unique needs, interests and passions. Our children are viewed as collaborators: they are competent, curious, inquisitive, unique, and creative.

Chai believes in an experiential and intentional approach to teaching and learning. This approach fosters children's intellectual development as they are encouraged to explore their environment and express themselves through words, movement, drawing, painting, playing and other natural modes of expression. We promote an environment where children can develop the critical thinking and problem solving skills for a successful and meaningful life.
