I have enclosed the application for Not for Profit Articles of Incorporation. In the application I did not include the other Officers and/or Directors because they have yet to be appointed or elected. When is done, I will be happy to amend the articles. I would appreciate your understanding in this matter.

I am hoping to expedite the paperwork as soon as possible as I would like to apply for the not-for-profit status before the first of the year and get to work on the process soon. Thank you so much for your attention in this way.

We are a group of women business owners who are hoping to be able to give back to the community while learning, educating ourselves and others.

Sincerely yours,

Deborah Shuck

We have received your document for WOMEN OWNERS OF FLORIDA, INC and your check(s) totaling \$87.50. However, the enclosed document has not been filed and is being returned for the following correction(s):

Section 617.0803, Florida Statutes, requires that the board of directors never have fewer than three directors.

If your business entity does not intend to transact business until January 1st of the upcoming calendar year, you may wish to revise your document to include an effective date of January 1st. If you do not list an effective date of January 1st, your business entity will become effective this calendar year and it will be required to file an annual report and pay the required annual report fee for the upcoming calendar year this coming January, which is merely weeks away. By listing an effective date of January 1st, the entity's existence will not begin until January 1st of the upcoming year and will, therefore, postpone the entity's requirement to file an annual report and pay the required annual report filing fee until the following calendar year.

Please return the corrected original and one copy of your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6973.

Dear Ms Dickey,

I have enclosed the corrected application for Not for Profit Articles of Incorporation. In the application I did not include the other Directors because they will be elected at the January meeting. When is done, I will be happy to amend the articles. I would appreciate your understanding in this matter. I have sent the papers in prior to today's date and you should still have the payment.

I would like to have the Corporation's start date to be after the first of 2012. I hope this is not a problem.

We are a group of women business owners who are hoping to be able to give back to the community while learning, educating ourselves and others.

Sincerely yours,
