- (A) To levy and collect Assessments and Charges against the Members of the Association to defray the costs, expenses and losses of the Association, and to use the proceeds of Assessments in the exercise of its powers and duties.

#### **ARTICLE V**

(A) Willful misconduct or a conscious disregard for the best interests of the Association, in a proceeding by or in the right of the Association to procure a judgment in its favor.

(B) A violation of criminal law, unless the Director or Officer had no reasonable cause to believe his action was unlawful or had reasonable cause to believe his action was lawful.

(C) A transaction from which the Director or Officer derived an improper personal benefit.

In the event of an out-of-court settlement of litigation, the right to indemnification shall not apply unless a majority of the disinterested Directors approves the settlement and indemnification as being in the best interest of the Association. The foregoing rights of indemnification shall be in addition to and not exclusive of all other rights to which a Director or Officer may be entitled.
