I'm sorry but we need to make a correction to your application. In Article IV of the Articles of Incorporation we need to know the manner in which the Directors are either elected or appointed. You currently are stating the members of the corporation shall consist of any adult accepted by the Board of Directors expressing a desire to help further. That isn't what we need. We need to know how you can become a director. You can state elected by majority vote, appointed by the Incorporator, or simply state "As stated in the By-Laws". Please let me know what you want to say and I will correct the articles for you. I am sorry that the examiner who rejected prior didn't request this information.
