June 13, 2025

IN RE: Community Broadband Radio Association Inc. N12000004888

Fraudulent Annual Report by John Rawlings dated 02/14/2025

I am Robert Malloy, original incorporator of the above referenced corporation and who has served as Executive Director since the inception of the corporation. During an emergency surgery and recovery, John Rawlings did coerce me while still in ICU to illegally sign all control of the corporation to him. At such time on 02/14/2025, John Rawlings and Barbara Langdon did alter the corporate record to their use and control, by changing the names of directors and the registered agent without legal authority to do so. Langdon as a sitting commissioner was in ethical violation of her office as the corporation was an active vendor with the City of North Port. On May 5, 2025 as original incorporator and sole director of the corporation, I did dissolve the corporation per Florida Statutes and paid the requisite fee. I request that this Statement of Fact be made part of the permanent record of the Corporation and that no further or future alterations be made to the record without my direct approval in writing.

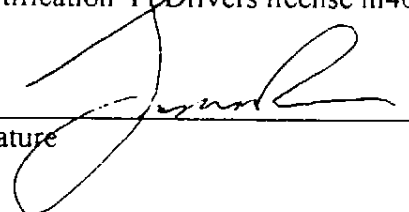

To all parties, I have ordered that the corporation be permanently dissolved and that John Rawlings and his assigns be permanently barred from filing any and all documents to the record.

Robert Malloy, Executive Director

STATE OF FLORIDA

COUNTY OF Alachua

The foregoing instrument was acknowledged before me this 19th day of June, 2025, by Robert Malloy acknowledging and Who Produced Identification FL Drivers license m400-770-51-028-0
