The corporation hereby indemnifies any Director or officer made a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding:

1. Whether civil, criminal, administrative, or investigative, other than one by or in the right of the Corporation to procure a judgment in its favor, brought to impose a liability or penalty on such person for an act alleged to have been committed by such person in his capacity of Director or officer of the corporation, or in his capacity as Director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the corporation, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees, actually and necessarily incurred as a result of such action, suit or proceeding or any appeal therein, if such person acted in good faith in the reasonable belief that such action was in the best interests of the Corporation, and in criminal actions or proceedings, without reasonable ground for belief that such action was unlawful. The termination of any such action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere of its equivalent shall not in itself create a presumption that any such Director or officer did not act in good faith in the reasonable belief that such action was in the best interests of the Corporation or that he had reasonable grounds for belief that such action was unlawful.

2. By or in the right of the Corporation to procure a judgment in its favor by reason of his being or having been a Director or officer of the Corporation, or by reason of his being or having been a Director, officer employee or agent of any other corporation, partnership, joint venture, trust

or other enterprise which he served at the request of the Corporation, against the reasonable expenses, including attorneys' fees, actually and necessarily incurred by him in connection with the defense or settlement of such action, or in connection with an appeal therein, if such person acted in good faith in the reasonable belief that such action was in the best interests of the Corporation. Such person shall not be entitled to indemnification in relation to matters as to which such person has been adjudged to have been guilty of negligence or misconduct in the performance of his duty to the Corporation unless and only to the extent that the court, administrative agency, or investigative body before which such action, suit or proceeding is held shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which such tribunal shall deem proper.

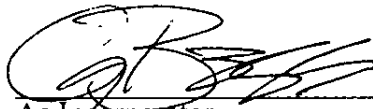

The Board of Directors shall have the sole discretion to determine whether amounts for which a Director or officer seeks indemnification were properly incurred and whether such Director or officer acted in good faith and in a manner he reasonably believed to be in the best interests of the Corporation, and whether, with respect to any criminal action or proceeding, he had no reasonable ground for belief that such action was unlawful. Such determination shall be made by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding.

The foregoing rights of indemnification shall not be deemed to limit in any way the powers of the Corporation to indemnify under applicable law.

IN WITNESS WHEREOF, the undersigned being the incorporator of this corporation has executed these Articles of Incorporation this 29th day of May, 2012.
