**Our church went through a very terrible ordeal about four years ago. The building we thought we were purchasing and we had occupied it for one year and seven months. We made major renovations only to learn that the so called people who said they owned it had a partner which was not being paid. The Partner wanted out and they gave him a quick claims deed to our property which kept him from going after them. The Partner wanted to sell we had already put \$90.000.00 into the building and had nothing left in the bank. We were given 30 days to get out! Yes, we had a Lawyer he knew our money was gone, and told us to do as the man asked.**

**That left me in a state of depression families uprooted and we went from college auditoriums to libraries trying to keep our people together.**

**I just forgot about the annual report, and I'm sorry no-one else step up to ask about the business of the church. We are coming back now, we have a new location which we have purchased, it's our and we are trying to move forward, with the help of our good and great God! We don't have the money to reinstate it's too much, so we have to start over after 12 years.**

**Sincerely,**
