We have received your document for NEW HOPE BAPTIST MISSIONARY CHURCH and your check(s) totaling \$78.75. However, the enclosed document has not been filed and is being returned for the following correction(s):

The name designated in your document is unavailable since it is the same as or is not distinguishable from the name of an administratively dissolved or revoked business entity which has a reinstatement application pending on our records. Please select a new name or add one or more major words to the current name to make it distinguishable. Simply adding "of Florida" or "Florida" to the end of the name is not acceptable.

The document number of the conflict is N95000001111.

The name must contain a word that will clearly indicate that it is a corporation. This word may be: CORPORATION, CORP., INCORPORATED, or INC. Sections 617.0401(1)(a) and 617.1506(1), Florida Statutes, prohibits the use of the word COMPANY or CO. in the name of a non-profit corporation.

Please complete Article I. The corporation cannot serve as its own Incorporator. Please designate a person from within the church to be the Incorporator and have that person sign the application.

The purpose contained in your articles of incorporation should be more specific. Please correct your articles to reflect the specific purpose for which the non profit corporation is being organized.

Section 617.0202(d), Florida Statutes, requires the manner in which directors are elected or appointed be contained in the articles of incorporation or a statement that the method of election of directors is as stated in the bylaws.

If your business entity does not intend to transact business until January 1st of the upcoming calendar year, you may wish to revise your document to include an effective date of January 1st. If you do not list an effective date of January 1st, your business entity will become effective this calendar year and it will be

required to file an annual report and pay the required annual report fee for the upcoming calendar year this coming January, which is merely weeks away. By listing an effective date of January 1st, the entity's existence will not begin until January 1st of the upcoming year and will, therefore, postpone the entity's requirement to file an annual report and pay the required annual report filing fee until the following calendar year.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6052.
