## ARTICLE XII

### INDEMNIFICATION OF OFFICERS AND DIRECTORS

Section 1. The Association shall defend, indemnify and hold harmless any person who is made a party or is threatened to be made a party to any threatened, pending, or contemplated action, suit or proceedings, whether civil, criminal, administrative, or investigative, by reason of the fact that he is or was a director, officer, committee member, employee or agent of the Association:

(a) From and against expenses (including reasonable attorneys' fees for pretrial, trial, or appellate proceedings), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him in connection with an action, suit, or proceeding (other than one by or in the right of the Association), if he acted in good faith, and, with respect to any criminal action or proceedings, he had no reasonable cause to believe his conduct was unlawful; and

(b) From and against expenses (including reasonable attorneys' fees for pretrial, trial, or appellate proceedings) actually and reasonably incurred by him in connection with the defense or settlement of an action or suit by or in the right of the Association, if he acted in good faith.

Section 2. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith, or, with respect to any criminal action or proceeding, that such person had reasonable cause to believe that his conduct was unlawful.

Section 3. Notwithstanding any other provision hereof to the contrary, no indemnification shall be made in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable for gross negligence or misconduct in the performance of his duty to the Association.

Section 4. Any indemnification under Section 1 (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the director or officer, committee member, employee or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in Section 1. Such determination shall be made (a) by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit, or proceeding, or (b) if such quorum is not obtainable, or even if obtainable and a quorum of disinterested Directors so directs, by a majority vote of Members of the Association.

Section 5. Expenses incurred in defending a civil or criminal action, suit, or proceeding shall be paid by the Association from time to time as incurred rather than only after the final disposition of such action, suit, or proceeding. Payment of such expenses shall be authorized by the Board of Directors in each specific case only after receipt by the Association of an undertaking by or on behalf of the director or officer to repay such amounts if it shall later develop that he is not entitled to be indemnified by the Association.

Section 6. The indemnification provided by this Article shall not be deemed exclusive of any other rights to which the Association's directors, officers, committee members, employees or agents may be entitled under the Association's bylaws, agreement, vote of Members or disinterested directors, or otherwise, both as to actions in their official capabilities and as to action in another capacity while holding such offices or positions, and shall continue as to a person who has ceased to be a director, officer, committee member, agent or employee and shall inure to the benefit of the heirs, executors and administrators of such a person.

Section 7. Notwithstanding the foregoing provisions, indemnification provided under this Article shall not include indemnification for any action of a director, officer, committee member, agent or employee of the Association for which indemnification is deemed to be against public policy. In the event that indemnification provided under this Article is deemed to be against public policy, such an event shall not invalidate or affect any other right or indemnification herein provided.

Section 8. The Association shall have the power, but shall not be obligated, to purchase and maintain indemnification insurance to provide coverage for any liability asserted against any director, officer, committee member, agent or employee of the Association in any of his capacities as described in Section 1, whether or not the Association would have the power to indemnify him or her under this Article.

Section 9. Any person requesting indemnification shall first look to any insurance maintained by the Association for indemnification against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement (as described above). The Association shall be obligated to indemnify such person (if entitled to indemnification by the Association) only to the extent such insurance does not indemnify such person. In the event that any expenses, judgments, fines, or amounts paid in settlement are paid pursuant to insurance maintained by such Association, the Association shall have no obligation to reimburse the insurance company.

#### ARTICLE XIII

#### INCONSISTENCY

In the event of any inconsistency between the terms and provisions contained in the Declaration and those contained in these Articles of Incorporation, the terms and provisions of the Declaration shall prevail.
