The purpose for which the corporation is organized is:

The Outlet Community Center is a Tallahassee community mental health resource organized as a response to a perceived lack of affordable mental health care. The center will fill this need with a local space and core of volunteers dedicated to working with those who come to us for help. By providing a variety of services, including group and peer counseling, arts-based activities, and referrals to professional counseling, the center will make mental health care more accessible for all. To sustain the space and cover the costs of counseling, it will have a dual function as a community space for the arts. With these services and opportunities, the Outlet strives to enrich community ties in Tallahassee and remove the social stigma of mental illness while working toward making our city a healthier place. In the event of dissolution, all liabilities and obligations of the Outlet will be paid and discharged, and distribution of remaining assets to local not-for-profit corporations will be voted upon by the membership.

ARTICLE IV MANNER OF ELECTION The manner in which the directors are elected and appointed:
