Through the efforts of Forever Friends Horse Rescue, we care for abused equine, restoring health and well being, while offering a life of trust and hope. When possible equine will be placed in loving and caring, "forever" homes.

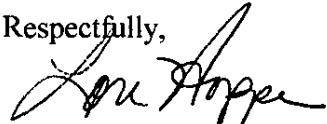

Our goals include educating the public of the standards of care necessary to keep equines healthy and safe.

Another primary goal is to develop therapy programs where our rehabilitated horses can help the disabled improve their lives through the movement and involvement with these horses.

As a non-profit organization, our long term goal is to run solely by hard working volunteers, funded by donations, adoptions, and fundraisers. All proceeds that are raised will go directly to the care of the rescued horses, community programs, and maintenance of the ranch. There are no paid employees, only volunteers with the same passion as our founders.

Currently there is a growing need for equine rescue, especially in Brevard County, Florida. The local SPCA does not have equine boarding facilities therefore neglected horses in the county are dying of neglect. There is a great need for a legitimate rescue organization such as ours. And generous community suppliers of donated food and supplies are eager to help.

Respectfully,

Lori Hoppe, Vice President
Forever Friends Horse Rescue
