We have received your document for NJROTC BOOSTERS and your check(s) totaling \$78.75. However, the enclosed document has not been filed and is being returned for the following correction(s):

The name must contain a word that will clearly indicate that it is a corporation. This word may be: CORPORATION, CORP., INCORPORATED, or INC. Sections 617.0401(1)(a) and 617.1506(1), Florida Statutes, prohibits the use of the word COMPANY or CO. in the name of a non-profit corporation.

Section 617.0202(d), Florida Statutes, requires the manner in which directors are elected or appointed be contained in the articles of incorporation or a statement that the method of election of directors is as stated in the bylaws.

The purpose contained in your articles of incorporation should be more specific. Please correct your articles to reflect the specific purpose for which the non profit corporation is being organized.

A corporation may not act as its own incorporator. Please designate an individual, another active domestic or foreign corporation, with a street address.

A corporation may not serve as its own registered agent. Please designate an individual or another active entity filed or registered with this office, having a Florida street address.

If your business entity does not intend to transact business until January 1st of the upcoming calendar year, you may wish to revise your document to include an effective date of January 1st. If you do not list an effective date of January 1st, your business entity will become effective this calendar year and it will be required to file an annual report and pay the required annual report fee for the upcoming calendar year this coming January, which is merely weeks away. By listing an effective date of January 1st, the entity's existence will not begin until January 1st of the upcoming year and will, therefore, postpone the entity's requirement to file an annual report and pay the required annual report filing fee until the following calendar year.

Please return the corrected original and one copy of your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6052.

Attn: Maryanne Dickey (New Filing Section)

Dear Ms. Dickey,

Thank you for your letter (212A00028418) dated May 21, 2013 regarding the failure to make corrections in a previous letter. This letter, with attached documents, is intended to correct my booster club's original request.

Please find enclosed with this letter, the original request, a corrected submission with a full description of the "purpose," and (please note) the name of the organization which should be "Spoto High School NJROTC Boosters, Inc." (Not "NJROTC Boosters, Inc.")

If, due to the original submission from my booster club president identifying the organization as "NJROTC Boosters, Inc.," the corporation name must remain the same, then so be it. However, it is preferred to more definitively identify our unit from the thousands of other JROTC units and their booster clubs. Also, please correct the location zip code to 33578 on all correspondence.

I believe that, after speaking with another of your colleagues last week confirming that the amended "purpose" fits the bill, we are able to move on with this incorporation.

I have included a signature block for my booster club president below.

Please let either/both of us know if there are further questions.

Thank you!

Sincerely,

Stephen (Steve) Nesthus
