We have received your document for HOUSING RELIEF ASSOCIATES, INC. and your check(s) totaling \$70.00. However, the enclosed document has not been filed and is being returned for the following correction(s):

The Florida Statutes require an entity to designate a street address for its principal office address. A post office box is not acceptable for the principal office address. The entity may, however, designate a separate mailing address. The mailing address may be a post office box.

The registered agent must have a Florida street address. A post office box is not acceptable.

If your business entity does not intend to transact business until January 1st of the upcoming calendar year, you may wish to revise your document to include an effective date of January 1st. If you do not list an effective date of January 1st, your business entity will become effective this calendar year and it will be required to file an annual report and pay the required annual report fee for the upcoming calendar year this coming January, which is merely weeks away. By listing an effective date of January 1st, the entity's existence will not begin until January 1st of the upcoming year and will, therefore, postpone the entity's requirement to file an annual report and pay the required annual report filing fee until the following calendar year.

Please return the corrected original and one copy of your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6052.
