Mission Statement

The Panacea Global Relief Project provides rapid relief of human distress in response to natural disasters through the charity of donors and the efforts of volunteers.

Vision Statement

The Panacea Global Relief Project, through the efforts of volunteers provides focused aid in response to natural disasters. We avail ourselves as a conduit of human generosity so that:

- our local communities are informed of the difficulties faced by those in disaster areas
- people in affected areas are provided with the basic necessities of food, shelter and clean water
- individuals affected by natural disaster are not overcome by despair

Fundamental Principles of the Panacea Global Relief Project

Humanity

The Panacea Global Relief Project, was founded based on a desire to aid those in disaster areas who had no means of doing so for themselves. Its purpose is to preserve human life and wellbeing.

Impartiality

It strives to help individuals solely based on their need for aid, prioritizing areas of greatest need; regardless of race, religion, nationality, caste, political or social standing.

Neutrality

The Panacea Global Relief Project does not take sides in conflict and will not at anytime participate in political, racial, religious or ideological conflicts.

Independence

The Panacea Global Relief Project is independent. While volunteers in the humanitarian branch of their respective governments are subject to the laws of their respective countries, they must always maintain their autonomy so that they will be able to abide by the principles of the Panacea Global Relief Project.
