Notwithstanding any other provision of these articles of incorporation, the Corporation shall not carry on any other activities not permitted to be carried on by (a) a corporation exempt from Federal income tax under section 501(c)(3) of the Code or, (b) by a corporation, contributions to which are deductible under section 170(b)(1)(A) or (B) and 170(c)(2) of the Code or (c) that would preclude it from satisfying the requirements of section 509(a)(3) of the Code.

ARTICLE FOUR

ORGANIZATIONAL AND OPERATIONAL TESTS AND REQUIREMENTS

1. **Organizational Test.** (a) **General.** These articles of incorporation hereby: (i) limit the purposes of the Corporation to one or more of the purposes set forth in Code Section 509(a)(3)(A); (ii) do not expressly empower the Corporation to engage in activities which are not in furtherance of the purposes referred to in subdivision (i) of this paragraph; (iii) state, that the "specified" publicly supported organization on whose behalf this Corporation is to be operated (within the meaning of Reg. 1.509(a)-4(d)) is The Journey Community Church, Inc., an organization described in section 501(c)(3) of the Code (the "Supported Public Charity"), and such organizations permitted within the meaning of Reg. 1.509(a)-4(d); and (iv) do not empower the Corporation to operate to support or benefit any organization other than the Supported Public Charity and such organizations permitted within the meaning of Reg. 1.509(a)-4(d).

(b) **Purposes.** The Corporation is formed "for the benefit of" (within the meaning of Reg. 1.509(a)-4(c)(2)) the supported Public Charity and such organizations permitted within the meaning of Reg. 1.509(a)-4(d).

(c) **Limitations.** These articles of incorporation do not and shall not permit the Corporation to operate to support or benefit any organization other than the Supported Public Charity and such organizations permitted within the meaning of Reg. 1.509(a)-4(d).

2. **Specified Organizations.** The "specified" publicly supported organization on whose behalf the Corporation is to be operated shall be the Supported Public Charity and such organizations permitted within the meaning of Reg. 1.509(a)-4(d).

3. **Nondesignated Publicly Supported Organizations.**

(a) **General.** In the event the Corporation shall benefit an organization other than the Supported Public Charity, such organizations shall only be those organizations that are of the class to be benefited by the Supported Public Charity and are consistent with the purposes of the Supported Public Charity.

(b) **Scope.** These articles of incorporation shall (i) permit the substitution of one publicly supported organization within the same class to be benefited by the Supported Public Charity and consistent with the purposes of the Supported Public Charity; (ii) permit the Corporation to operate for the benefit of new or additional publicly supported organizations of the same class to be benefited by the Supported Public Charity and consistent with the purposes of the Supported Public Charity; or (c) permit the Corporation to vary the amount of its support among different publicly supported organizations within the same class as benefited by the Supported Public Charity and consistent with the purposes of the Supported Public Charity.

4. **Operational Test.**

(a) **Permissible Beneficiaries.** The Corporation shall engage solely in activities which support or benefit the "specified" publicly supported organization on whose behalf the Corporation is to be operated. Such activities may include making payments to or for the use of, or providing services or facilities for, individual members of the charitable class benefited by the "specified" publicly supported organization on whose behalf the Corporation is to be operated; or supporting or benefiting an organization, other than a private foundation, which is described in section 501(c)(3) and is operated, supervised, or controlled directly by or in connection with the "specified" publicly supported organization on whose behalf the Corporation is to be operated, or which is described in section 511(a)(2)(B). No part

(b) **Permissible Activities.** The Corporation shall not be required to pay over its income to the "specified" publicly supported organization on whose behalf the Corporation is to be operated in order to meet the operational test. It may satisfy the test by using its income to carry on an independent activity or program which supports or benefits only the "specified" publicly supported organization on whose behalf the Corporation is to be operated; provided, however, that all such support must be limited to permissible beneficiaries under subparagraph (a) of this Article Four.

5. **Nature of Relationship Between Organizations.** The Corporation shall be "operated, supervised or controlled by" the Supported Public Charity.

6. **Meaning of "Operated, Supervised, or Controlled by".** The Corporation shall be under the direction of, and accountable or responsible to the Supported Public Charity. A majority of the officers, directors, or trustees of the corporation shall be appointed, elected or approved by the governing body, members of the governing body, officers acting in their official capacity, or the membership of the Supported Public Charity.

7. **Control by Disqualified Persons.**

(a) **In General.** In compliance with section 509(a)(3)(C), the Corporation may not be controlled directly or indirectly by one or more disqualified persons (as defined in section 4946) other than foundation managers and other than the Supported Public Charity. If a person is a disqualified person with respect to the Corporation, such as a substantial contributor to the Corporation, is appointed or designated as a foundation manager of the Corporation by the Supported Public Charity to serve as the representative of the Supported Public Charity, then for purposes of this paragraph such person will be regarded as a disqualified person, rather than as a representative of the Supported Public Charity.

An organization will be considered "controlled," for purposes of section 509(a)(3)(C), if the disqualified persons, by aggregating their votes or positions of authority, may require such organization to perform any act which significantly affects its operation or may prevent such organization from performing such act. This includes, but is not limited to, the right of any substantial contributor or his spouse to designate annually the recipients, of the income attributable to his contribution to the Corporation. Except as provided in subparagraph (b) of this paragraph, the Corporation will be considered to be controlled directly or indirectly by one or more disqualified persons if the voting power of such persons is 50 percent or more of the total voting power of the organization's governing body or if one or more of such persons have the right to exercise veto power over the actions of the Corporation.
