Membership shall be appurtenant to and may not be separated from ownership of any lot which is subject to assessment by the Association.

ARTICLE VIII **VOTING RIGHTS**

The Association shall have two classes of voting membership with the relative rights and preferences as follows:

Class B: The "Class B Member" shall be the Developer and its specifically designated (in writing) successor(s) or assign(s). The Class B Member shall be entitled to the total number of votes of all Class A Members from time to time plus one (1) vote; provided, however, that the Class B Membership shall cease and convert to Class A Membership on the happening of any of the following events, whichever shall first occur:

Association) provided, however, notwithstanding the foregoing, as long as a Builder is the record title owner of any Lot(s) within the Property, Developer may not, without the prior written consent of such Builder, elect under this subsection to terminate its Class B Membership.

Notwithstanding that there shall be two (2) classes of voting membership in the Association, voting shall be based upon the votes cast by the membership as a whole; not on votes cast by or within each class of voting membership.

ARTICLE IX **DISSOLUTION**

The Association may be dissolved upon the affirmative vote (in person or by proxy) or written consent or any combination thereof, of members holding not less than a majority of the total votes of the Association. Upon dissolution of the Association, other than incident to a merger or consolidation, the assets of the Association shall be dedicated to an appropriate public agency or to any non-profit corporation, association, or other organization to be used for purposes similar to those for which this Association was created.

In the event of termination, dissolution, or final liquidation of the Association, the responsibility for the operation and maintenance of the surface water or stormwater management system must be transferred to and accepted by an appropriate governmental unit or public utility or a non-profit corporation similar to the Association approved in writing by the St. Johns River Water Management District prior to such termination, dissolution or liquidation.
