Attachment for Purpose for Fly High Foundation Inc.

Fly High Foundation is a completely non-profit organization whose aim is to reach out to the less privileged individual around the world and provide hope for them in every little way we can. Through the efforts and dedication of volunteers, Fly High mission is to reach out to the less privileged people around the world.

Our focus is on two important things;

- 1) To show the less privileged people around the world that there is always hope and they can always succeed no matter what position they find themselves, and even though things may seem rough for them, they are not alone in this world. And they got people who are ready to support them every step of the way. Fly High Foundation goes Above and Beyond through the help of dedicated volunteers to provide for their needs in every little way we can.
- 2) We also want to educate the world on how the gift of giving works. Most people believe that when it comes to giving, it entails a lump sum. We educate people to understand that giving doesn't always involve lump sums. The most appreciable gift are those very little things that ends up making other's day. It could be as easy as a smile or as huge as a hug. We believe that people should understand the power of giving those little things.

This is why we started various projects to accomplish these goals,

- 1) Operation Big Foot: We collect used shoes from the public through donations and we give these shoes to those who cannot afford one. Many individuals, especially in Africa, die of tetanus. These infection builds up from minor wound especially foot injuries, which get exposed without the necessary treatments. This could easily have been prevented if they had coverage over their foot.
- 2) We also assist homeless shelters, retirement homes, orphanages, ext. At least twice a month we go out with a team of volunteers and assist these foundations by getting physically involved as well as financially. Some of our plans are to bring food to homeless shelters, get our team to spend time with the senior citizens, and take orphans on fun filled trips.
- 3) We also raise financial funding for international communities for vaccinations for kids. Children around the world die due to lack of vaccination and our goal is to save a child's life in countries that cannot afford it.

Because our focus is on helping the worlds as much as we can, we try to share ideas. Part of our donations includes ideas on how to help people. We implement this ideas and and touch as many lives as we possibly can. Countries that we impact include Egypt, Nigeria, Sudan, Trinidad and USA. We look forward to expanding our aid all over the world.
