Membership in the Corporation shall be limited to those persons who from time to time own a Lot in the Development. Each Lot owner in the Development shall be a member of the Corporation. Membership shall be an appurtenance to and may not be separate from title to any Lot in the Development as this Corporation is organized upon a non-stock basis. The Corporation shall have two classes of voting membership:

- A. Class A members shall be all owners of Lots in the Development with the exception of Developer while the Developer is Class B. Member. Class A Members shall be entitled to one vote for each Lot owned. When more than one person holds an

interest in any Lot, other than as security for the performance of an obligation, all such persons shall be Members. The vote for such parcel shall be exercised as they, between themselves, determine, by written designation to the Corporation, but in no event shall more than one vote be cast with respect to any Lot. The vote appurtenant to any Lot shall be suspended in the event that, and for as long as, more than one member holding an interest in that Lot lawfully seeks to exercise it.

- B. Class B Members shall be the Developer, who shall be entitled to the number of votes equal to the number of votes held by all Class A Members, plus one. The Class B membership shall cease when the Developer no longer owns any property either within the Development or any property contiguous thereto or when the Developer in his sole discretion elects to terminate his Class B membership, whichever occurs first, it being intended that Developer shall retain control of the Corporation so long as the Developer has an interest in the Development or any property contiguous thereto.

Rights of such members to vote, hold office as director or officer of the Corporation, or otherwise exercise any rights of membership may be limited, as provided in the by-laws, to those persons who have paid all annual dues and assessments and are otherwise in good standing pursuant to the by-laws.

#### **ARTICLE X- AMENDMENTS**

- A. Proposals for amendments to these Articles of Incorporation which do not conflict with the Declaration may be made either by the Board of Directors or by sixty-seven (67%) percent of the Members. Such proposals shall be in writing and shall be delivered to the President who shall thereupon call a special meeting of the Members not less than ten (10) days nor more than sixty (60) days following his receipt of the proposed amendment. Should the President fail to call such special meeting the Members may, in lieu thereof, call a special meeting. Such request shall state the purpose or purposes of the proposed amendment(s). Notice of such special meeting shall be given and posted in the manner provided in the Bylaws. Upon the affirmative vote of sixty-seven (67%) percent of all Members (not just those voting) the amendment shall be adopted.
- B. Any Member may waive the requirements of this Article as to the notice of special meetings vote on proposed amendments to these Articles of Incorporation, either before, at or after a membership meeting at which a vote is taken to amend these Articles, and any amendment passed by sixty-seven (67%) percent of the

membership shall not be invalid merely because some members did not receive notice of the special meeting.

#### **ARTICLE XI – POWERS**

The Corporation shall have the power to do any and all things necessary, incidental, or desirable to accomplish any and all of the purposes and objectives for which the Corporation is organized, either alone or in cooperation with other corporations, firms, or individuals, and to carry on any lawful activity necessary or incidental to the accomplishment of the purposes and objectives of the Corporation. The powers referred to herein shall include, but not be limited by, those powers identified in Florida Chapter 720, et seq., as amended from time to time.

#### **ARTICLE XII - INDEMNIFICATION**

Every Director and officer of the Association shall be indemnified by the Association to the maximum extent permitted by law, against all expenses and liabilities, including counsel fees reasonably incurred by or imposed upon him, in connection with any proceedings or any settlement thereof, to which he may be a party, or in which he may become involved by reason of his being or having been a Director or officer of the Association, whether or not he is a Director or officer at the time such expenses are incurred, except in such cases wherein the Director or officer in bad faith commits an act of willful malfeasance in the performance of his duties; provided, that all settlements must be approved by the Board of Directors as being in the best interest of the Association. The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such Director or officer may be entitled. However, the right of indemnification shall not be applicable to any person who receives regular compensation for his duties from which the claim arises except to the extent such acts are covered by insurance and then only to that extent.

#### **ARTICLE XIII – DISPOSITION OF ASSETS UPON DISSOLUTION**

No part of the income of the Corporation shall be distributable to its members, directors, or officers either during the existence of the Corporation or upon its dissolution; provided, however, that upon dissolution the assets of the Corporation shall be transferred to a successor entity or those, the then property owners, in the Development in such a manner as to assure that the Common Areas and/or Surface Water or Storm Water Management Systems, and all other property owned by the Corporation for the benefit of the property owners, shall be used for the benefit of the several property owners in the Development.

Prior to dissolution of the Corporation, all property, interests in property, whether real, personal, or mixed, which are directly or indirectly related to the Surface Water or Storm Water Management Systems which are owned by the Corporation or the owners in common, will be

dedicated to the appropriate unit of government or otherwise transferred to another approved entity. Dedication or transfer to an approved entity must be authorized by the South Florida Water Management District through modification of any and all permits or authorizations issued by the South Florida Water Management District. Such modification shall be made under the lawfully adopted rules of the South Florida Water Management District in effect at the time of application for such modification.
