Dear Jessica:

This company was initially filed as an LLC. When we went to file for a 501(c)(3) status with the IRS we were notified that the company could not be an LLC but had to be a corporation.

We then filed as a corporation, but the filing was put on hold due to the name conflict with the LLC, document number L14000029979.

We need to keep the name the same due to the open filing with the IRS.

Per our conversation today, we have dissolved the LLC with an online filing and we are authorizing the corporation to use this name for the corporation.

If you have any questions please call our accountant.

Thank you for your prompt attention to this matter which would be greatly appreciated as we are on a deadline with the IRS.

Sincerely yours,
